

# ARKANSAS WING SAFETY

**Electronic Safety** – Beware of the social media copy challenges. These challenges give hacker data to use in stealing your identity.

## [Social Media Challenges Identity Theft](#)

**Vehicle Safety** – Schools are not only back in session; they are now offering blended classes that are not requiring students to be in class all day. Students are coming and going rapidly and there are more homeschool students now than ever before. Look for the littles.

## [Close Call!!](#)

**Seasonal Safety** – September is Suicide Prevention Month. Check up on your wingmen!

## [Guy falls into a hole ....](#)

**Home Safety** – It's time to have maintenance done on your heating system. Check for gas, and CO2 leaks as well as fire dangers.

## [HVAC Checks](#)

**Personal Safety** – Hurricane and flood season (part 2) is still here. Monitor NOAA for the latest.

## [National Weather Radar](#)

**Flying Safety** – Review your Aircrew Minimum Maneuvering Airspeed for each aircraft you fly in.
