

ARKANSAS WING SAFETY

Electronic Safety.

This month we should all look at doing backups.

[Computer Backup Instructions](#)

Vehicle Safety.

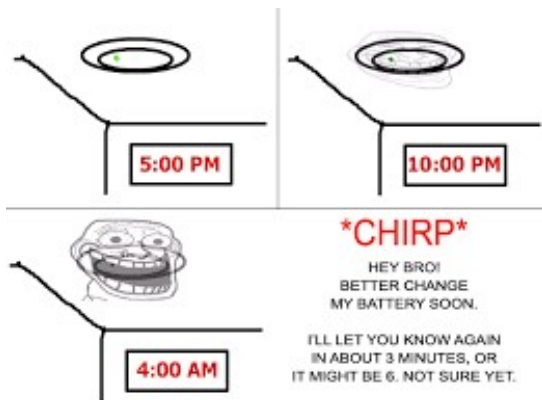

This month we have Mari Gras, and St. Patrick's Day. DO NOT DRINK AND DRIVE!!

[Impaired Driving Checklist](#)

Seasonal Safety.

Spring Forward on Sunday, March 13th. CHANGE don't just check those smoke / CO2 Detector batteries.

Home Safety.

So, we all live in the south, the rainy season is upon us, and the bugs will be coming inside soon. Check the MSDS on those pesticides and use them properly. Keep them out of reach of little children.

Personal Safety.

Here's a list of 15 personal safety messages that could save your life.

[15 Tips](#)

Flying Safety.

Beware of changing conditions. Arkansas weather can change during your flight and runway conditions can change just as fast. Review your takeoff and landing instructions for bad weather.
